# OUR COVENANT

As one of the largest developers in South-East Queensland, QM Properties works to ensure that there are quality development guidelines employed for each of their communities. The high quality of the streetscapes, home designs and manicured gardens in QM estates are the result of our established Community Development Standards.

Covenants have become an invaluable part of all modern, quality developments. Estate covenants are designed to ensure the high standard of our estates as well as work to protect buyers' investments. QM's highly-qualified Covenant Team offer buyers an invaluable post-sale service. They draw on nearly four-decades of industry experience to offer a wealth of advice on home plans, landscaping, pools, sheds, and fencing.

The QM Properties Covenant Team carefully considered all planned construction and landscaping. The Covenant team also regularly review all estates to ensure that the quality and safety of our communities is being maintained. This ensures that buyers have the ultimate peace of mind when joining a QM community.
